- 12:35pm** – Door Prize Drawing in Gates
- 12:30pm** – Lunch on the lawn with presenters & exhibitors
- 1:30pm** – Conference Ends

Bio for our featured speaker, Peg Steffen

Peg Steffen is the education coordinator for the Communications and Education Division of NOAA's National Ocean Service. She started federal service as an Albert Einstein Distinguished Educator Fellow in the Education Division of NASA (2000). While at NASA she was an education program manager at NASA Headquarters and started the NASA Explorer Schools program. In 2006 she joined NOAA's National Ocean Service where she leads a development team that provides web-based products, professional development and educational games.

Peg Steffen, National Board Certified Teacher in Adolescent and Young Adult Science, holds a BS degree in Zoology from Iowa State University and a Master of Science in Curriculum and Instruction from Drake University. Her classroom teaching experiences span 25 years in grades 8-12 in biology, physics, and astronomy/geology. She served as adjunct college professor at Buena Vista University for 8 years teaching zoology and geology to pre-service teachers. Peg has provided teacher professional development workshops for over 30 years to teachers in the United States, Sweden, Mexico, and Scotland.

Win a trip to the NSTA Conference in Boston, MA in 2014 through the HECO/HaSTA Ambassador Program. All dues paying members in attendance are eligible!
